

Believe
(Romaji/Translation/Japanese)

Believe

Lyrics & Music : Ryuichi Sugimoto

Arrangement : Yasunari Nakamura

たとえば君が 傷ついて

tatoeba kimiga kizutsuite
say you get hurt and

くじけそうに なった時は

kujikesou ni natta toki wa
you feel like falling apart

かならず僕が そばにいて

kanarazu boku ga sobani ite
I'll be by your side

ささえてあげるよ その肩を

sasaete ageruyo sonokata o
to hold your shoulders up

世界中の 希望のせて

sekai jyu no kibou nosete
Carrying all the hope in the world

この地球は まわってる

kono chikyuu wa mawatteru
this earth goes around

いま未来の 扉を開けるとき

ima mirai no tobira o akeru toki
Now is the time to open the door to the future

悲しみや 苦しみが
kanashimi ya kurushimi ga
sorrow and pain

いつの日か 喜びに変わるだろう
itsu no hi ka yorokobini kawaru darou
will one day turn into happiness

I believe in future
I believe in future
I believe in future

信じてる
shinjiteru
I believe

もしも誰かが 君のそばで
moshimo dareka ga kimi no sobade
If someone besides you

泣きだしそうに なった時は
nakidashisou ni natta toki wa
starts to cry

だまって 腕をとりながら
damatte ude o torinagara
you'll just take their arm without saying a word

いっしょに歩いて くれるよね
isshoni aruite kureru yone
and walk together

世界中の やさしさで
sekai jyu no yasashisade
With all the kindness in the world

この地球を つつみたい
konochikyuu o tsutsumitai
I want to envelop this earth

いま素直な 気持ちになれるなら
ima sunao na kimochi ni nareru nara
If I can become honest, then

憧れや 愛しさが
akogareya itoshisaga
things like admiring and loving

大空に はじけて耀だろう
oozorani hajikete hikarudarou
will burst into the sky and glow

I believe in future

I believe in future

I believe in future

信じてる

shinjiteru

I believe

いま未来の 扉を開けるとき
ima mirai no tobira o akerutoki
now is the time to open the doors to our future

I believe in future

I believe in future

I believe in future

信じてる

shinjiteru

I believe
